EXTRACT FROM A REPORT OF THE COMMITTEE OF THE
HONOURABLE THE PRIVY COUNCIL, APPROVED BY
HIS EXCELLENCY ON THE 8TH JANUARY, 1870.

THE Committee of Council have had under consideration the annexed Memorandum, dated 6th January, 1870, from the Hon. the Minister of Justice with reference to the requirements of the 109th and following sections of the Act 32-33 Vic., Cap. 29, respecting the rules to be observed on the execution of judgment of death on any prisoner after the coming into effect of that Act (1st January, 1870), and they humbly advise that the recommendations submitted in the said Memorandum be approved, and that the rules and regulations therein set forth be sanctioned under the provisions of the 118th section of the Act referred to.

They further advise as recommended by him that a copy of the present report, when approved by Your Excellency, and of the annexed Memorandum be communicated by the Secretary of State for the Provinces to the Lieutenant-Governors of the several Provinces.

JOHN J. MCGEE,
Clerk of the Privy Council.

The Honourable the Secretary of State.

ANNEX "A" TO P. C. 1,021, 8TH JANUARY, 1870.)

DEPARTMENT OF JUSTICE,
Ottawa, January 6th, 1870.

The undersigned has the honour to report that by the 32 and 33 Vic., cap. 29, sec. 109, judgment of death to be executed on any prisoner after the coming into force of that Act (1st January, 1870) shall be carried into effect within the walls of the prison in which the offender is confined at the time of execution.

The following sections detail the persons who shall be present at the execution; the mode in which the death shall be certified, and Coroner's inquest held thereon, and the place of burial of the body.

By section 118 it is provided that the Governor in Council may, from time to time, make such rules and regulations, to be observed on the execution of judgment of death in every prison, as he may from time to time deem expedient, for the purpose, as well of guarding against any abuse of such execution, as also of giving greater solemnity to the same, and of making known without the prison walls the fact that such execution is taking place.

The sections in question are taken from the provisions of the Imperial Statute, 31 Vic., cap. 24, with which they are identical, except that the rules and regulations mentioned in section 118, to be made by the Governor in Council, are under the Imperial Statute to be made by one of Her Majesty's Principal Secretaries of State.

The undersigned has deemed it advisable to ascertain what steps were taken in England to carry out that portion of the Act, and he has obtained a copy of the rules made by Mr. Secretary Gathorne Hardy, and which appear to have been promulgated by him on the 13th August, 1868.

The undersigned is of opinion that the same so far as suited to Canada should be adopted for the Dominion, and he therefore recommends that the following rules be made by the Governor in Council, pursuant to the provisions of 32 and 33 Vic., cap. 29, for regulating the execution of capital sentences, that is to say:—

1. For the sake of uniformity it is recommended that the executions should take place at the hour of 8 a.m.

2. The mode of execution and the ceremonial attending it, to be the same as heretofore in use.

3. A black flag to be hoisted at the moment of execution upon a staff placed on an elevated and conspicuous part of the prison, and to remain displayed for one hour.

4. The bell of the prison, or, if arrangements can be made for that purpose, the bell of the parish or other neighbouring church, to be tolled for 15 minutes before and 15 minutes after the execution.

The undersigned further recommends that any Order in Council to be passed on this report be communicated by the Secretary of State for the Provinces to the Lieutenant-Governors of the several Provinces.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. And if this Rule shall be suspended or modified as

aforsaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars.
